F23-BB

12 face buttons - Single-speed

F23-BB is an industrial radio remote control with a 12-button physical face: six directional keys, four numbered keys, START and STOP. The enabled function count must be specified separately from the number of visible keys.

Control layout

Model	F23-BB
Control layout	12 face buttons
Operation	Single-speed

Choosing this model

The handset combines six directional keys with four numbered positions. List the required auxiliary actions and output assignments in your enquiry.

Ordering options

- 1 transmitter + 1 receiver kit.
- English, Chinese, Russian or arrow legends.

Shipping package

Package dimensions: 33 × 23 × 17 cm. These are shipping-carton dimensions, not product housing dimensions.

Prepare an enquiry

Include model and quantity, destination, receiver AC/DC supply, required functions and output contacts. Add a control-circuit drawing for wiring allocation.
