F24-10S

10 function keys - Single-speed

The F24-10S is a 10-button single-speed industrial radio remote control. Its 10 function buttons support additional auxiliary commands beyond an eight-button layout; command assignments are agreed through the receiver output schedule.

Control layout

Model	F24-10S
Control layout	10 function buttons
Operation	Single-speed
Function-button actuation	One stage per function key

Choosing this model

Choose F24-10S when 10 single-stage keys cover the required functions. Choose F24-10D for two-stage operation with the same number of function keys.

Ordering options

- 1 transmitter + 1 receiver kit.
- English, Chinese, Russian or arrow legends.

Shipping package

Package dimensions: 33 × 23 × 17 cm. These are shipping-carton dimensions, not product housing dimensions.

Prepare an enquiry

Include model and quantity, destination, receiver AC/DC supply, required functions and output contacts. Add a control-circuit drawing for wiring allocation.
