F24-60

2 joysticks - Joystick

The F24-60 is a dual-joystick industrial radio remote control with additional pushbuttons and selector switches. The control face includes two joysticks, six pushbuttons, four selectors, a STOP control and a rotary key.

Control layout

Model	F24-60
Control layout	2 joysticks
Operation	Joystick
Additional face controls	6 pushbuttons; 4 selectors; STOP control; rotary key

Choosing this model

Choose F24-60 for two-joystick operation with separate auxiliary controls. Specify the required motion stages and output signals in the receiver schedule; joystick shape alone does not identify proportional control.

Ordering options

- 1 transmitter + 1 receiver kit.
- English, Chinese, Russian or arrow legends.

Shipping package

Package dimensions: 56 × 32 × 27 cm. These are shipping-carton dimensions, not product housing dimensions.

Prepare an enquiry

Include model and quantity, destination, receiver AC/DC supply, required functions and output contacts. Add a control-circuit drawing for wiring allocation.
