F24-8D

8 function keys - Double-speed

The F24-8D is an 8-button double-speed industrial radio remote control. Its two-stage function buttons allow first- and second-stage commands from the same key; the receiver output schedule defines the machine commands.

Control layout

Model	F24-8D
Control layout	8 function buttons
Operation	Double-speed
Function-button actuation	Two stages per function key

Choosing this model

Choose F24-8D for two-stage commands from each of its 8 function keys. Choose F24-8S when each function needs one operating stage. Two-stage control requires corresponding inputs in the machine control circuit.

Ordering options

- 1 transmitter + 1 receiver kit.
- English, Chinese, Russian or arrow legends.

Shipping package

Package dimensions: 33 × 23 × 17 cm. These are shipping-carton dimensions, not product housing dimensions.

Prepare an enquiry

Include model and quantity, destination, receiver AC/DC supply, required functions and output contacts. Add a control-circuit drawing for wiring allocation.
